TEOXANE. INJECT MORE BEAUTY INTO YOUR LIFE

TEOXANE ACADEMY NORWAY

Meet your experts

Dr. Raul CETTO
ENT Surgeon
London, UK

Dr Raul Cetto is an award-winning international speaker and trainer in Facial Aesthetics. He has had a medical career spanning over 16 years, completing over 6 years of surgical training in London during which time he developed a particular interest in facial aesthetics. He has been practicing non-surgical facial aesthetics for over 10 years and founded Clinic 1.6 in 2016. Dr. Cetto has been awarded a Diploma in Otolaryngology and Head and Neck Surgery from the Royal College of Surgeons of England as well as completing the College's membership examinations. His surgical training led to completing a PhD on nasal airflow at Imperial College London. He also holds a post graduate diploma in Aesthetic Medicine and is currently undertaking a Masters Degree in Medical Education. Dr Cetto is actively involved in research and has authored and co-authored several peer reviewed publications and books in his field of expertise.

Meet your experts

Dr. Billur SEZGIN KIZILOK

Plastic, Reconstructive & Aesthetic Surgeon
Istanbul, TURKEY

Billur Sezgin Kizilok, MD, FACS, was born in Ankara, Turkey. After graduating from Ankara University School of Medicine as valedictorian, with the highest grade point average of her class in 2006, she completed her residency in Plastic, Reconstructive and Aesthetic Surgery at Gazi University Medical School. Dr. Sezgin passed the European Board of Plastic, Reconstructive and Aesthetic Surgery (EBOPRAS) and received the title of “Fellow of the European Board of Plastic, Reconstructive and Aesthetic Surgery (FEBOPRAS)”. As a fluent speaker of English and also having fulfilled the requirements of the United States Medical License Exam (USMLE), she is certified to practice medicine in the USA and also holds a GMC registration that allows her to practice medicine in the UK. She holds the title of “Fellow” of the American College of Surgeons (FACS) and is the Turkish representative of the Young Plastic Surgeons Forum of the American Society of Plastic Surgery. She has won several awards including the Schefflan Regenerative Medicine Award in 2022 and the EURAPS Young Plastic Surgeon Scholarship Award from the European Society of Plastic Surgery in 2019. She currently has over sixty articles published in international and national journals, has written invited commentaries in the Aesthetic Surgery Journal, and is a peer reviewer for multiple international Q1 ranked journals including Plastic Reconstructive Surgery, Aesthetic Surgery Journal, Journal of Plastic, Reconstructive and Aesthetic Surgery, Journal of Cosmetic Dermatology, and International Wound Journal. Dr. Sezgin Kizilok, who received the title of Associate Professor in 2018, has been working as an active faculty member at Koç University Faculty of Medicine and a full-time attending surgeon at Koç University Hospital since March 2015. She is married, a mother of two, and interested in traveling, reading, music, cinema, and cooking.
